Marcus D. Bright

FEB 9, 1963 - FEB 9, 2011

Marcus D. Bright, age 48 of LaPorte, Indiana, died Wednesday, February 9, 2011 in Battle Creek, Michigan. Born February 25, 1962 in Brentwood Essex, England, he is the son of Elaine (Nee: Foster) and Edwin Bright. He married Cami Scheele June 25, 2005 in Batesville, Indiana. He was a country club manager and chef. Marcus was a people person. A chef by trade, his real passion was cooking for family. He loved being with his family and would dazzle his children and nieces and nephews with magic tricks as well as teaching them silly songs he learned as a young child. Marcus enjoyed numerous interests during his free time. He was an avid golfer, coin collector, card player and a connoisseur of fine wines and clothing. According to his family he ironed everything! From shorts to sheets, they all got pressed. His family also indicated he was an amateur fisherman and hunter. Amateur meaning he wasn't very good at either. "What he usually came home with was a story....and quite a story at that!" He certainly knew how to tell an entertaining story. Marcus was very proud when he became a U.S. citizen. It took nearly two years to accomplish, but he saw it all the way through. As proud as he was of his American citizenship, he was equally as proud of his English heritage. Notes or cards you received from him were signed off with "God Save the Queen." He is survived by his wife Cami; daughters Sydney and Emma Bright of Granger, Indiana, Zeva Bright of LaPorte; son Jensen Bright also of LaPorte and brother Roderick "Nod" Smith of England. In addition to his parents, he is also preceded in death by sister Jane Smith and brother Timothy Smith. There will be no visitation. A memorial service will be held 11 a.m. Friday, February 18th at the funeral home with Rev. Charles Flory officiating. A college trust fund for the children is being set up and memorials may be made to Cami in care of the trust fund.

To Cami and family. So very sad to have just heard about Marcus. I was at junior/senior school with him and just recently, on Facebook, we have often chatted. A few weeks back we tried to recite the name of everyone in our junior school class and I have to say he beat me. A lovely, lovely man who I last saw about 5 years ago when he came to England for a reunion. It was a tribute to him that so many people turned up to see him. Please accept my sympathies and my thoughts for you and Marcus' children x Gail

My family is so thankful that Marcus was the manager at Pottawattomie in September of 2009 for my niece's wedding. He made the entire weekend the most spectacular event! We are very particular about food, presentation and service and he rose to the occasion and made everything perfect. He was there every moment for the rehearsal dinner, wedding dinner and reception and brunch on Sunday. He even cooked omelets himself. His quick wit and sense of humor made planning the wedding fun! Marcus, you will always be part of our wonderful memories of the wedding. May you rest in peace. Barbara Gentner Stephenson, Susan Rosenstein, Lenny Gentner and Marina Molenda

I hope that you and the kids are able to hold on to the great memories that made Marcus the life of the party and a great pleasure to know. Please let the kids know they are loved by more people than they know. Their father is a great man and was always proud of his children. Marcus was a person who would always try to make sure that you were included or felt welcome. He was a great friend to many in the CMAA and brother to some. Most of Katrina and my fondest memories include Marcus and his Bright personality. Make no mistake about it we have lost a fantastic individual. Marcus, you sir will always remain: "BRILLIANT!"
