Ruth and family -- I can't express how sorry I was to hear about your mom's passing. Having just gone through that with my own mom in February, I know how difficult this is. My thoughts and prayers are with you. I loved your Mom and your Dad. They were so kind to me when I came to your house to visit and I always enjoyed talking with them. I will always treasure those times. Again, you all have my deepest sympathy.

My grandma was a wonderful person who will be greatly missed by many people. She was always great company and was probably one of the best grandma's ever. Grandma is not alone, she's up in heaven with Grandpa (Carl) and Henry. The family of Bernice Dierckman would like to thank everyone for their thoughts and prayers during her illness.

Even though I never knew Mrs. Dierckman, it's obvious that she was a strong, principled lady. The success of her offspring is the best evidence and probably what she was most proud of. Cherish the memories that only a large family like yours can have. Anna Perry
