Kelly,Alicia just called and through her tears told me the sad news... my deepest sympathy to you and your mom. I'm sitting here now with tears in my eyes as well, remembering those great moments Alicia and I shared with you and your Dad at Saint Marys... whether it was Dads weekend, graduation or other events. And of course later, he and I shared the happy and sad emotions of celebrating your weddings. We talked about how happy and proud we were for you both, yet sad at losing our little girls. I enjoyed the times we spent talking, but they were too few and too short. He was one of the best, and even though I only knew him for a short time, it felt like he was a lifelong friend. I know Alicia thought so much of him and how kind he was to her. I feel our lives are better for having known him, however briefly. Be proud of him. Good fathers like him are a rarity. Our prayers are with you and your Mom in this difficult time. May God give you strength and His abundant blessings.
