I try to think of all the good times I had with dad but deep down, it still hurts. We all used to go camping every chance we got. We went to carnivals, even things as simple as going to the park was all that was needed, it was fun. He didn't start off great, with the drugs, being an alcoholic. He went to jail many times, but he was still a great guy once he got all cleaned up. There's not a day that goes by that I don't miss him. I do remember though, something that never got to happen. He was supposed to teach us to play guitar. I guess it was too late though.. I still want to learn "broken road", a song that reminds me of him

Mike was a great Father and his children & family will miss him so much as well as we will. He spent quite a lot of weekends at our pond fishing and swimming and camping with our sons and Josh. In fact, Josh was here Friday and Saturday night with our Grandson, Cody and you could he was just heart broken about his Dad. My love goes out to you all. I miss him--I miss that personality and his happy smile. God bless the whole family. I will be there tomorrow to celebrate Mike's life. With love and prayers, Lana Hermesch

I went to high school with Michael. While we were quite different (I was a nerd... and let's just say academics weren't his top priority) we became friends. I was always impressed how he respected my "nerdiness" and never once tried to get me to try any of his wilder ways. I hope his children learn from this example. RIP Mike!

Dear Brenda and family-I will be unable to make the memorial service on Wednesday, June 10/ to express the sorrow I feel at receiving this sad news. I saw Michael's name and was shocked as he attended school with my daughter, Kathleen for several years in Batesville. Brenda please know that I hold you and the family in prayer at this sad time. One never is ready for times like this....especially with one so young. Margaret(Peg) Neth
