while i realize that mim died sometime ago, my dad flew with dan during the 2nd ww over the hump. my dad's name was ken johnson. you may have heard of him. he just died in april - he would have been 95 in june. he talked fondly of both your parents. i remember as a child going to "the farm" with the swimming pools and a few horses. we went there more than once as a family and had such a wonderful time. your parents were great hosts to all their guests. i also remember the big dining room. my thoughts are with your family. karen (johnson) cochran
