We would like to send our sympathy for the lose of your son & brother. I knew Jason since he was just a small kid, my daughter was friends with him and also in the same grade with him. We have since moved away, but I still keep in touch with my friends there. We haven't seen Jason in over a year. He was always a pleasure and always had a smile for everyone. He will be missed. I know God will give you the strength to get through this, and ease the pain you have now. I am so sorry to hear this. Pam Richeson, and Children Lori(Gabbard)Moore, & Matt Gabbard
