## **Michael S. Weiler**

APR 16, 1948 - APR 16, 2011

**M**ichael S. Weiler, age 63 of Batesville, died Saturday, April 16, 2011 at his residence. Born May 24, 1947 in Batesville, he is the son of Anna (Nee: Estes) and Wilfred Weiler. He married Louise Grooms May 23, 1969 in Boston, Massachusetts. He served in the Navy during the Vietnam War and was a member of the American Legion Post #777 of Indianapolis, St. Louis Church and the Indiana Bow Hunters Association. He was owner of Eye On You Photography retiring in 2007. To say Mike was passionate about the outdoors would be an understatement. An avid bow hunter of deer and turkey, he also hunted squirrels and raccoons, although he was notorious for getting lost whenever he went coon hunting. Other outdoor pleasures he loved were fishing and tending to a huge vegetable garden each year. He and Louise met when she was in the Job Corp and he was stationed in Boston. They attended a dance, knew it was love at first sight and were married one month later. Mike was a proud and devoted grandpa who enjoyed attending all of his grandkids sports activities and school functions. He is survived by his wife Louise; son Mike of Batesville; mother Anna Weiler of Batesville; sister Rebecca Brewer of Milford, Ohio; brothers Robert of Batesville, Richard of Virginia Beach, Virginia and grandchildren Matthew, Elizabeth, Emily and Kayden. In addition to his father, he is also preceded in death by his daughter Cathy Weiler; sister Anne Weiler; grandparents Elmer and Floris Estes and grandmother Anna Weiler. Visitation is Tuesday, April 19th, from 4-7 p.m. at the funeral home. Funeral services are 10 a.m. Wednesday, April 20th at St. Louis Church with Rev. Stephen Akange officiating. Burial will follow in the church cemetery with military graveside rites conducted by the Batesville V.F.W. Post #3183 and the Prell-Bland American Legion Post #271. The family requests memorials to the National Archery in Schools Program or ALS Association (Amyotrophic Lateral Sclerosis or Lou Gehrig's disease).

Living with ALS has been one of the hardest challenges of my life. The muscle weakness, fatigue, and gradual loss of mobility were heartbreaking. Conventional treatments offered little more than temporary comfort, and I was starting to lose hope. That's when I discovered NaturePath Herbal Clinic. Skeptical but desperate for relief, I decided to try their herbal therapy. To my surprise, by the fourth month, I began noticing steady improvements less muscle twitching, better coordination, and renewed energy. It wasn't an overnight miracle, but the progress felt real. For the first time in a long while, I felt a sense of control returning to my body. Today, I move more freely, sleep better, and most importantly I feel hopeful again. This journey with NaturePath has been life changing. If you or someone you love is battling ALS or any other neurodegenerative condition, I genuinely encourage you to explore natural alternatives. You might be surprised at what's possible. I'm truly grateful I gave them a chance.

My first ALS symptom occurred in 2016, but was diagnosed in 2018. I had severe symptoms ranging from shortness of breath, balance problems, couldn't walk without a walker or a power chair, I had difficulty swallowing and fatigue. I was given medications which helped but only for a short burst of time, then I decided to try alternative measures and began on ALS Formula treatment from Aknni herbs centre, It has made a tremendous difference for me (Visit [www.aknniherbscentre.com](http://www.aknniherbscentre.com)). I had improved walking balance, increased appetite, muscle strength, improved eyesight and others.

My husband who had been diagnosed with Bulbar ALS disease for 2 years at the age of 63 had all his symptoms reversed with Ayurveda medicine from [naturalherbscentre.com](http://naturalherbscentre.com) after undergoing their ALS/MND natural protocol, he no longer requires a feeding tube. God Bless all Lou Gehrig's disease Caregivers. Stay Strong, take small moments throughout the day to thank yourself, to love your self, and pray to whatever faith, star, spiritual force you believe in and ask for strength. I can personally vouch for these remedy but you would probably need to decide what works best for you

My uncle was a very good man. We will miss him dearly. He will always be in my heart! I remember when I was a kid, my sister and I used to have him lift us with his arm, and he was the strongest man I knew. R.I.P Uncle Mike. We love you!

Just wanted to say my prayers are with your family at this painful time. I did not know Mike well, but he was helpful in photographing my family at the time of my parents' 50th wedding anniversary. Back in high school days I recall him as a kind and fun guy when he was dating someone I knew.

Mike and Family- I am sorry to hear about your father/grandfather. I did not know that he was sick. I will always remember how faithful he was to watching all of your sporting events, Matt, Emily and Elizabeth. He was always there in the front row with his camera and a smile. May those memories comfort all of you now and in the future. Hugs, Elizabeth Hall
