Dear family members, you probably don't know me, (other than Jerry Heppner of course), but I knew your mother, and sister so very well. I grew up in Oldenburg, and my former husband Tom Bischoff worked for Batesville Casket in the 70's and 80's when Donna was his administrative assistant. She was a SAINT to me, I tell ya!! also was a friend and sorority sister to Shirley., and worked with Jerry for many fun years at the old IGA.... I am so very shocked and sorry to hear that Donna is gone. May God grant you peace as you grieve the loss of this wonderful person....sincerely, Lynn Schene

Donna was very special person to have worked with. She always greeted me with a smile and we would share a laugh about something. Donna always had words of encouragement for me and my mother's illness. That always meant so much. She was a very special co-worker and will be missed. My condolences to her family. God Bless

I didn't personally know Donna, but I know her sister Barb. And I know how much Donna meant to her. Since I've known Barb I've known about Donna and what she was going through. I saw exactly how much she meant to Barb this afternoon, and I'm sure the rest of the family is feeling the exact same. Thankful she is now in a better place, where she is in no more pain. My thoughts and prayers go out to the family in this time of need.

Missy,Your Mom was a wonderful person. Her humor always made me smile and her love for you, Gus and Gabby had no boundries. I never had a conversation with her that she did not talk about Gus and Gabby. What joy you all brought her. Not to forget your husband, she admired the man he is and knew he was there whenever she needed is help. A great gift to give someone. I am so glad I got to work with her. We were lucky that she ws willing to drive all the way to Cincinnati and grace us with her presence. Logan worked with your Mom all last summer and enjoyed every minute in the office between Karen and her. It was her first "office" experience and they spoiled her with all the fun they had. I am in Michigan now and will go look at the lake and the photo of you guys up here and remember your Mom's laugh. Logan and I will be home for the funeral. Keep strong.Love,Deborah & Logan
