LITTLE WING Fly, fly little wingFly beyond imaginingThe softest cloud, the whitest doveUpon the wind of heaven's lovePast the planets and the starsLeave this lonely world of oursEscape the sorrow and the painand fly again. Fly, fly precious oneYour endless journey has begunTake your gentle happinessFar to beautiful for thisCross over to the other shoreThere is peace forevermoreBut hold this mem'ry bittersweetUntil we meet. Fly, fly do not fearDon't waste a breath, don't shed a tearYour heart is pure, your soul is freeBe on your way, don't wait for meAbove the universe you'll climbOn beyond the hands of timeThe moon will rise, the sun will setBut I won't forget Fly, fly little wingFly where only angels singFly away, the time is rightGo now, find the light
