On behalf of Jenny and myself, I'm finding it very difficult to express any words that might be meaningful to you at this time. Joan was a woman of not only dignity, elegance, and social grace, but a "life partner" with you. We consider ourselves blessed to have been friends of yours for these so many years. Tom, I cherish the conversation you and I had this past December, and the exchanging of Christmas cards with you and Joan for all these many years. Our favorite Joan story was reassuring you that the car (attached) to your RV as you "sped" down the highway to Hilton Head would NOT pass you.

I'm so Sorry Tom Sr, Beth, & Tom Jr. My thoughts and prayers go out to you all. I just loved Joan. She was a very unique lady. I can remember feeding the animals and she would have it all wrote down how much, and what to feed each one. Love, Joanne

To the family, my heartfelt condolences for your loss of your loved one. As you cope with your loss, may you find comfort in knowing that God promises to put an end to all the things that have plagued mankind for centuries including death (Revelation 21:3,4). May these promises from God's word, the Bible give you comfort now and real hope for the future. My deepest sympathy.
