So sorry to hear about Mark's death. I remember when he and other choir members went to carol to my Dad at his final Christmas in 1996 after he had broken his hip and was in Odd Fellows nursing home. That meant so much to him and me! The St. Anthony's all male choir is singing heavenly songs this Christmas with many members contributing. I enjoy listening to their Christmas CD every year and Keith Moenter made copies for my children. Take care of each other this Christmas season and always! Love, Linda
