Doris was known to many of us who ministered and worked in ST. Francis Hall. I have very fond memories of Doris who gave perms, cut hair and styled hair for many of the sisters. She had a touch and really made the Sisters feel good after a perm, a haircut or a shampoo and setting.Thank you for sharing Doris with us.May our Gracious and Loving God touch each of you as you grieve the loss of a wife, a mother, grandmother and a friend.Sister Mary Fliehman

Doris was a neighbor when we were growing up and we all hung around together and had good times playing ball sitting on the porch and taking walks. Doris and I were in the hospital having our children around the same time. She had Dawn and I had Andy. Lots of memories between our families. Asking God to comfort Neil and the family during this difficult time. Pam Gerdowsky.

Neil.....I will be unable to attend the service for Doris, as I will be helping a family member move. It is always so difficult to know what to say on these occasions. I am sorry I did not know her well, but I know you and the rest of your family. You are all strong people, and you will move on. From reading her obit., I feel sure the two of you had a wonderful and rich life with many great memories and family members. Please accept my condolences. Cousin Melvin and family
