I worked with Ron at Seasongood Folding Box in Greendale IN from 1994-2002. Ron was my supervisor and I always called him Boss Man. When I first started in 94 I had worked a week before the new hire drug screen test results came back and I failed for marijuana. Ron told HR that he wanted to keep me and they said they would retest me in a month. They never did!! First time someone judged me for my work ethic and not for something I did at home. I called him up a few years before he passed....same old Ron! I loved the man, rest in peace Boss Man

In the early 1960's, I worked with Ronny at the old Krogers store. Many lessons learned there. A good nature-d old fart. RIP
