Andrew V. Weisenbach

JUL 21, 1935 - MAR 26, 2021

On Friday, March 26th, 2021, Andrew Victor Weisenbach, age 85, passed away unexpectedly in an automobile accident.

He was born in Batesville on July 21, 1935. Andy was preceded in death by parents, Louis and Mary Lou (Grossman) Weisenbach and one older brother, Richard Weisenbach. He was the youngest of five siblings. Surviving siblings are Edwina (and the late Dan) Ertel, Ruth (and the late Eugene) Billman, Joan (and the late Richard) Weisenbach, and Ray (Rosie) Weisenbach, all from the Batesville area.

Andy was a member of St. Anthony's Parish, St. Anthony's bingo team #2, Batesville VFW Post #3183, VFW Honor Guard, Knights of Columbus, Hoosier Hills Water Board member, Batesville Firemen's Association board member, and was one of the eldest members of the NCAA Batesville First-Rounders.

Always the hard worker, Andy jumped on the opportunity to start working at Batesville Casket at the tender age of 16. After a few years, service to country called, so he joined the Army and proudly served in Germany. Andy went back to Batesville Casket upon his return and stayed for 47 years and for much of that time he farmed too! He could paint caskets like no other and his attention to detail made him admired by all. In 2013, Andy and Eleen sold the farm and moved to Batesville.

Andy was fond of getting out, meeting people, and doing things. If he met a stranger, they didn't stay a stranger for long. He was always on the go and probably was one of most fastidious and meticulous people ever created, forever vigilant for any single leaf that flew into his yard. He loved the outdoors. He enjoyed and took great pride in caring for people and would often visit others in the nursing home. A favorite thing to do was to travel with friends. The day of his death, he had just completed a round of golf with friends.

Our hearts are broken to hear the news of Andy's passing on Friday. Our prayers and condolences goes out to his family during this difficult time. Andy had a love for living, a life of joy and enthusiasm for each day the lord gave him. He was kind and always willing to lend a hand when needed. He was a good friend and co worker to Bernie and a family friend to the Amberger's my family. I grew up in the town of Morris where Andy and his family lived. Andy was a big contributor to that town. All the hard work and dedication he gave to the Church festivals, bingo's and many fund raising events. May the joy and enthusiasm Andy had for life will be a example and a blessing to those he left behind. Rest In Peace Andy Your friends Kathy and Bernie Flodder

Eleen & Family We are sorry for your loss. Andy was an awesome man and a great Godfather. He is certainly leaving behind some big shoes to fill. He touched so many lives and created some really nice memories for everyone to share. We all could talk for days and share the memories that he was part of and still wouldn't cover half of them. God knows when to call home his chosen angels and heaven gained a great angel in this heart breaking moment. We pray that you will find peace in knowing that Andy is in a better place enjoying eternal rest. He earned it. Tom & Alisa Doll

Labor Day Morris church picnic 1969 my Dad asked Andy if he knew of a job opening at Hillenbrand . I got hired in Andy s department with in the week. You could tell Andy was not only a respected foreman but a well liked one. There was always someone laughing at Andy s quick lip. Year of my retirement I looked Andy up to tell him "thank you " it was 2017. He was still being busy digging a water line. I know the Angels are laughing.

My fond memories of Uncle Andy go all the way back to the 60's when I was just a kid. I absolutely loved spending time "out in the country" on the hog farm with Uncle Andy and the rest of the family. Uncle Andy showed me a thing or two about raising hogs and he even let me watch baby pigs being born once! In my later years at the other farm I got to learn first hand how to butcher a hog. Those memories and experiences growing up were priceless!Uncle Andy was always one of my favorite uncles, and he was so much fun to be around. I could listen to him tell stories all day long. He had such a positive outlook on life and always had a smile on his face. I miss him dearly!Dale Billman
