Janet was a friend to me for 40 years....it's hard to sum up all the laughter, tears, joys and struggles we have shared in that time. Janet was my side-kick....my go-to girl. Our excursions were always so much fun! Even when miles separated us from daily or weekly check-ins, we remained close. We somehow knew what each other was thinking and could just sense when one of us needed a shoulder to lean on. Life without Janet is going to be hard....we had adventures in the planning stages, but I know she will be with us in spirit always. Janet was my special friend....the kind that can't be replaced. My heart aches for Roger and all the family with this unimaginable loss....but her love will live on through her children and grandchildren! Rest in peace, dear friend. Love, Sheryl
