My family and I will miss our good friend Lupe! She was a warm and caring friend. She was a devoted wife, mother and grandmother. Her many talents included cooking delicious food, tamales, ceviche, empanadas and many other treats. She worked very hard babysitting and at other jobs. She helped in the raising of her grandchildren. She contributed so much to her community, especially in religious celebrations. Her family and friends will miss her very much. We are comforted knowing that her good deeds will be rewarded by eternal blessings.
