Riley Hope Duerstock

SEP 3, 2002 - SEP 11, 2023

Riley Hope Duerstock, age 21, of Batesville, Indiana passed away Monday, September 11, 2023 at Memorial Hospital in South Bend, Indiana. Born September 3, 2002 in Decatur County, Indiana, she is the daughter of Jill (Nee: Blair) and Deron Duerstock. Riley was a member of St. Louis Catholic Church, a 2021 graduate of Batesville High School, and was currently a student at the University of Indianapolis.

Riley was a beloved daughter, sister, niece, cousin, granddaughter, friend, and girlfriend. In her short life, she had already touched the lives of many with her selfless ways. As an example, at the age of 16, she took her first ever airplane flight alone all the way to Ghana in Africa on a medical internship, tending to people suffering from leprosy and to poor mothers and their ill children. Later, she donated her eggs to women unable to conceive. Currently, she was in her 3rd year of nursing school at the University of Indianapolis with hopes of becoming a flight nurse. And now, in her final hours, she has given the ultimate gift of life to the three recipients of her organs. Riley was bright, independent, and hardworking, helping at Mrs. Ryker's Preschool from the age of 12, working at and later managing Dottie's Bulk Foods throughout high school, and most recently, starting "Hope's Homemade Fudge" and simultaneously working as a CNA at Margaret Mary Community Hospital and in the laundry room at Decatur County Memorial Hospital. She is remembered as an adventurous, loyal, ambitious, kindhearted, humble, strong, and fun young woman. She loved her family, her dogs, her array of plants, crocheting, painting, and quiet nights at home with her boyfriend, Jarrod. She was a beautiful, bright light and will be dearly missed.

Riley is survived by her parents Deron and Jill of Batesville; brother Ryan Duerstock of Batesville; maternal grandmother Janet Blair of Oldenburg, Indiana; boyfriend Jarrod Nichols of Osgood, Indiana; and several aunts, uncles, and cousins. She was preceded in death by her maternal grandfather Lloyd Blair; paternal grandparents Norb and Ruth Duerstock; uncle Steve Wintz; and cousin Jason Wintz.

When I had Riley as a student at St. Louis School, she was quiet, but her smile lit up the room. Riley had the kindest heart and she had a natural inclination towards helping others. She was taken too soon, but Riley left her mark on the lives of so many, and she won't be forgotten. My prayers and deepest sympathies to the Duerstock and Nichols families.

Riley was my first friend growing up, knowing her since I was about 4-5 years old if I had to guess. I remember playing during summers and after school at my Grandma's house, having the best time with her, Ryan, and my sister. I had my first sleepover ever at her house. When my Grandma passed in 2019 I remember being at the visitation and we were able to talk about our memories and catch up on how our lives were going. She made me feel understood in the way I felt after the loss of a family member, and it felt like no time had passed at all since we were little. Then again, I saw her in Batesville a year or so back and once again we caught up and shared how our lives were going. I'm going to miss Riley so, so much, but just wanted to focus on the good memories we've had over the years. She was the sweetest, most caring, and best friend that I could've asked to grow up beside. I love her so much, and I know I'll see her again someday.
