Norma J. McNabb, age 75 of Batesville, Indiana, passed away on Friday, May 10, 2024, at Margaret Mary Health in Batesville after battling cancer. Norma acted as a foster and adoptive mom and Nana. She loved playing online games and visiting the casino. She loved all various types of music. She loved homestyle meals, especially chicken livers from Wagner's. Spending time with her family was very important. This is exactly why we are holding a potluck celebration of life in her honor.
