John Thomas "Ace" Moorman

AUG 26, 1935 - DEC 10, 2024

John Thomas "Ace" Moorman aged 89 of Oldenburg, Indiana, passed away Tuesday, December 10, 2024, at St. Andrew's Health Campus. Born August 26, 1935, in Batesville, he is the son of Herman and Loretta (nee: Mollaun) Moorman. Ace married Claire Edwina (nee: Oesterling) Moorman on October 24, 1959, at Holy Family Church in Oldenburg. He was a member of the Knights of Columbus Council #1461, Batesville Lion's Club, and the Eagles Aerie #1130.

Ace was a 1953 graduate of Batesville High School. There he was active in every way possible. Ace was senior class president and earned 14 letters while playing football, basketball, baseball, and track. After high school he went on to play basketball and study engineering at the University of Cincinnati. He made life-long friends at BHS and UC.

After college, Ace was co-owner of the Batesville Roller Mills before working at the Farmer's Feed in Batesville as well as Kellerman's Feed and Walpe Feeds in St. Maurice. Ace absolutely loved spending time with the farmers of the area. He worked full-time until the age of 85.

In his spare time, Ace volunteered for numerous worthy causes. One of his most cherished was coaching the American Legion baseball team for more than 25 years. Ace earned many civic and athletic awards in his lifetime. He was named to the Indiana High School basketball silver anniversary team as well as the Ripley County Basketball Hall of Fame. Ace was also chosen to represent Ripley County as an Indiana Bicentennial Torchbearer for his many contributions to the area.

Ace loved watching all types of sporting events. He was a fixture at basketball, baseball, football, and tennis events throughout the area. But it wasn't the sporting events he cherished most; it was the people. Ace considered southeastern Indiana "God's country". He knew almost everyone, and everyone knew him.

Throughout his life Ace remained supremely humble. He truly cared for other people regardless of their station in life. Above all else, Ace loved spending time with his family. The shining star of

Gary. Dale, Mark and families, we are so sorry for your loss. Your dad was a special guy, always had a big smile for me whenever I would see him. After my dad's passing your dad would stop by and visit my mom frequently, she sure enjoyed those visits. My dad and mom just loved both your parents. Being reunited with your mom is his biggest blessing. After all the hugs and kisses the wives are now watching them play one of the best baseball games ever with all of their friends. May all your wonderful memories of him bring you comfort. With our deepest sympathy. Terry and Paula (Fasbinder) Volz

It is hard to believe that Uncle Ace is being buried and I can't be there to say "Goodbye" in person. We were 9 years apart, but he treated me more like a sister than a niece. He used to babysit me and recently every time I'd visit him he would remind me that I "would always throw my bottle at him " to pick up. Then I'd laugh and throw it again! I would tell him that was why he was such a good ball player!!! He will be missed by so many people, especially his boys and their families. Gary and Dale took care of him like he was solid gold. Thank You boys! Goodbye, Uncle Ace. See you on the other side!!! We will love you forever~~~~Tom and Carol Bruewer Moody

So many great memories, but my favorites ones are of the summers spent playing Legion baseball (even though I was a crummy baseball player) for your dad. He made sports fun and always treated his players with respect and dignity. A truly good and humble man...

I remember Ace from my youth and I am 71. He played for Herb Huser's ball team in Liberty Park and always treated the kids that hung out at games with respect. He and my father were great friends as well. When I think of home (Batesville) it's easy to think of Ace.
