## **Beverly Joan Graf**

AUG 19, 1951 - APR 13, 2025

**B**everly Joan Graf, age 73, of New Alsace, Indiana, passed away peacefully on Sunday, April 13, 2025, at St. Andrews Health Campus in Batesville, with her family by her side. Born August 19, 1951, in Milan, Indiana, she is the daughter of Samuel and Dorothy (Nee: Landrum) Miller. Bev married John J. Graf on July 28, 1973, at St. Paul's Catholic Church in New Alsace, Indiana and he preceded her in death on September 20, 2008. Bev was a member of the Tanner Valley United Methodist Church in Lawrenceburg, Indiana.

Bev was a devout Christian woman. She lived her faith by serving others through various church ministries, visiting the homebound, and being a compassionate presence in the community.

She enjoyed cooking and baking, especially for her family. Family favorites included her O'Henry bars, homemade macaroni and cheese, scalloped potatoes and chocolate chip peanut butter bars. A jar of treats could always be found on the kitchen counter for her grandkids.

Bev took pleasure in many hobbies. She had a green thumb and enjoyed her flower and vegetable gardens. She was a talented seamstress who cherished making special occasion clothing for her children and gifts for her grandchildren.

She loved working and spending time with children. After retiring from teaching and tutoring she spent many years babysitting her grandchildren. The grandkids fondly remember "Grandma School" and her support at all of their activities.

She was most happy living a simple life at the family farm and being with her loved ones. Her grandchildren always brought her joy, which was evident by the smile on her face.

Bev is survived by her daughters Angela (Charles) Weigel of Batesville and Amy (Mark) Eisele of New Alsace; son Douglas (Gina) Graf of New Alsace; grandchildren Samuel, Noah, and Abigail

Bev & I were college roommates at Ball State our junior & senior years. She was not only a great roommate but a wonderful friend. Even though we rarely saw each other after graduating we remained close. My heart just breaks for all of her children & grandchildren. I am so sorry for your loss. ❤️

Angie, Doug, and Amy-I was so saddened to learn of the passing of your beloved mother. Your mother was always so nice to me when I visited. When I lost my dear husband, your mother wrote to me offering me support and words of encouragement when I needed them the most. Hearing from someone who had walked that path meant the world to me and I have never forgotten her kindness. Please know that you and your families are in my thoughts and prayers.

One of the kindest ladies I have ever met. She taught for my father at St. Paul's school and he thought the world of her. One memory he shared with me is that Bev had been out for a few days for medical reasons and the day she returned at the end of the day she asked her students what was the best thing about today (which was part of her daily routine) and she said one of the students raised their hand and proclaimed "You came back to the classroom today". As she led the children to their parents and went into the principal's office she had a tear in her eye. My father asked what was wrong and she said oh nothing and proceeded to tell him what happened. A prime example of a great teacher that was very fond of her students.
