I worked with Daryl for about 9 years at Sperry Plastic in Brookville. His Dad David was the Plant Manager and chemist, and Daryl's brother Tom worked there in the Summer while he was going to college. Daryl was one of the kindest persons you'd ever know. I lost track of him over the years, but I'll never forget him. His whole family were GREAT people.

Daryl was great to be around, in our younger years we enjoyed playing tackle football with him and Dick down the road, horseback riding at the saddle club and just enjoying our time doing what families do! Maybe you rest in eternal peace! Great love, comfort and prayers to you all! Love Aunt Rita and Uncle Dave
