“ Dave will be missed. He was a thoughtful hard working guy. You could always depend on him when you needed something. He introduced me to the Reno life with the boys weekend trips when I turned 21. He always made sure you were ok and taken care of. Will be thinking of you and family.

“ Dave, you were one of my heroes. I never saw you encounter a problem you couldn't fix. You were a kind and quiet and humble man. I know that you will be missed. Thank you for the time we spent together, for your gentleness and patience and kindness. To your family, may God's love and peace and joy, fill you at this intensely sad time. I don't know how God does it, but he does bring comfort and healing to the wounded and broken, and he brings joy to the sorrowful. I am so sorry for your loss and we are praying that joyful memories of Dave bring a softening to the pain of your loss. Sincerely, Your Friend Peter.
