“ Gilbert and I shared the 19th of February as the date we were born into this world. On his birthday, I gave him a card and he was so grateful that he was remembered. He would always say a very appreciative Thank You. He would also help me find things I needed to clean the cars which I did down by the garage. It would seem that the extension cord had a way of disappearing but Gilbert always found it so that I could continue to do clean the interior of the cars. Gilbert blessed my life with kindness and gratitude. May he now rest in Peace. If and when our Chapel opens up to the public, I hope to have a Mass read for him.
