

Kindra P. Schuler

December 15, 1960 - December 15, 2016

Kindra P. Schuler, age 56 of Batesville, died Thursday, December 15, 2016. Born March 28, 1960 in Batesville, she is the daughter of Connie (Nee: Parmer) and George Schuler II. She was a commercial photographer, a member of the Batesville Lions Club and Court Appointed Special Advocates (CASA) for neglected or abused children.

According to her family, Kindra was a kind, gentle soul who went out of her way to help others. She also had a soft spot for animals and routinely brought home those found abandoned, nursed them back to health and then found them a permanent home. She currently had three cats she adored. Her faith was very important to her, as was time with family. She truly enjoyed family events and get-togethers, usually trying to scare up a corn hole contest with any and all challengers. Her nephews affectionately referred to her as Grandma Nin. Apparently she was also an electronics junkie. Kindra embraced modern technology, especially computers and was more than happy to help friends and neighbors set-up or repair them. Along with a passion for movies, she was also an avid reader and Colts fan.

She is survived by her mother Connie of Batesville; sisters Vanessa Zins and Jennifer Walker, both of Batesville; brothers Scot Schuler of Dallas, Texas, Jeff Schuler of Woodbury, Tennessee, Patrick Schuler of Greensburg, Indiana, Mike Herring of Southaven, Mississippi and numerous aunts, uncles, cousins, nieces and nephews. In addition to her father, she is also preceded in death by her brother George Schuler III.

Visitation is Tuesday, December 20th, from 4 – 7 p.m. at the funeral home. Funeral services follow at 7 p.m. with Rev. David Kobak O.F.M., officiating. A prayer service will be conducted by the Batesville Lions Club at 4 p.m. Kindra will be cremated following services. Memorials may be made to the funeral home to help with expenses.

“ Hey my sweet daughter, You have been gone over a month now. I am not doing very well. I talk to you a lot...do you hear me? Do you listen? I was searching for a picture, can't remember which one or why I was searching, but there you popped up. Was at the family get-together last summer. You were looking at me with that expression, really mother?, when I took the picture. I wanted to reach in my camera and pull you out. Ness has been through the mill with you leaving and her doing everything...hated my health then, as I could not really help. Those 63 steps up to reach your apt. did me in. Especially the next day. I yearn to know what you are doing and who you met in heaven.....what's it like seeing family again...like your dad. I hope you are happy and glad you are there.....but I wish you were here...you never liked hugs much, but I would grab you so quick and give you the hardest hug if I could. I love you Nin....and I miss you so much !!!!

“ Dear Kindra. You were like a sister to me. Its hard to grasp what has happened to you. We go through life not realizing that one day we're gone and how fast it goes. Each day, each moment needs to be cherished for what it is. Life is so precious we sometime take it for granted. Rest In Peace dear Kindra. May you walk with Jesus and look down upon us to keep us safe and well. If they have cell phones in heaven give me just one more call to say goodbye and I love you.

“ Vanessa and Family, No words can express our sorrow for the loss of your precious sister. May you find comfort in your family and friends. May God bless and keep you all in His loving care! Do not stand at my grave and weep I am not there. I do not sleep. I am a thousand winds that blow. I am the diamond glints on snow. I am the sunlight on ripened grain. I am the gentle autumn rain. When you awaken in the morning's hush I am the swift uplifting rush Of quiet birds in circled flight. I am the soft stars that shine at night. Do not stand at my grave and cry; I am not there. I did not die.

“ She was a wonderful person who loved to help out people and animals. She would help me out with my computer problems. She also cared about a friend she met from me. She would always try and stay in contact with her. Just because she was such a caring person.

“ Kindness filled Kindra's heart and every day she would give you part, Computers were her knitch, there wasn't one she could not fix. She would see your need and come to help in God speed, Loved family stuff, like a diamond in the rough. Loved her cats, they made her smile, for them she went the extra mile. Grief is what we will have for days, then we will remember her sunshine rays. My loss is that I have not seen her in years, no last hugs, just great big tears. Love and remembrance , Aunt Donna
