“ Marian was a neighbor "across the street" for 30 years. A sweet woman and with her smile could light up the room. My deepest sympathy to the family as they gather. RIP dear friend.

“ I remember when Marian would come to the swimming pool and meet many of you to swim. This was the time of day when you could stay later if you had an adult with you. I always wanted to be able to stay and have more swim time with everyone. I also remember all the time she spent working in the yard especially on her flowers. I know she will be missed. My prayers are with you all.

“ Sorry to hear of her passing. So many people I see who have died in Batesville and don't know their names anymore but this is one I remember. I remember her as a nice lady.
