

## Mildred Lovell \*Change to entombment date\*

January 18, 1928 - March 13, 2019

Mildred Lovell, age 91 of Batesville, died Wednesday, March 13, 2019 at Margaret Mary Health. Born January 18, 1928 in Franklin County Indiana, she is the daughter of Anna (Nee: Oesterling) and Ben Haverkos. She married Clifford Lovell September 17, 1949 at Holy Family Church in Oldenburg and he preceded her in death September 17, 2003.

The family farm was an important part of Millie's life. When she was a little girl, she'd listen to the baseball game on the radio, keeping score, so she could let the men know what happened when they came in from work. As she got older, she too, went to work on the farm and took over its operations in 1971. She ran it for nearly 30 years before turning it over to her nephew. After retiring from farming, she became a snowbird and spent winters in California. Millie's other passion was bridge. She played every Monday and Tuesday in Batesville and has taught many locals how to play. A number of years back, the newspaper did a story about her and referred to her as "Mrs. Bridge." She always enjoyed hosting the family at Easter and Christmas which would include the family favorite, her homemade butterscotch pie.

Millie is survived by her brother Paul Haverkos of Loveland, Ohio as well as 12 nieces and nephews. She is preceded in death by her husband and parents. Visitation is Saturday, March 16th, from 9 – 11 a.m. at the Srs. of St. Francis Convent Chapel due to remodeling at Holy Family Church. Funeral services follow at 11 a.m. with Rev. Carl Langenderfer O.F.M. officiating. Entombment and committal services will be held 2 p.m. Wednesday, March 20th at Spring Grove Cemetery in Cincinnati, Ohio. The family requests memorials to the Holy Family Capital Improvement Fund.

“ Aunt Mil,

I am sitting in our alma mater watching family and friends sharing stories about you with Paul, Mark, Julie, and Connie, and saying goodbye to you. I can hear you saying, "Tot, what do you think about all this stuff? I don't need such a fuss, but it's nice for people to come together." You liked when the fuss was about you.

We had many adventures together the last few decades. You had me make a sign for "Big Bales For Sale," and you laughed at me while I climbed on a big bale to place the sign with the help of my assistant Spott dog.

We enjoyed people wondering if we were related or not. We never told that we weren't, but we were family.

I love that you never called me by my first name. I saved, and have recently listened to, a voicemail from you. "Tot, this is Aunt Mil. I just wanted to wish you a Happy Birthday."

I sent you my grades at each semester's end. I made sure to always do well so Aunt Mil knew I was studying hard. You kept me in line; well, most of the time.

I am grateful we were in each other's lives. We shared sarcastic senses of humor and the ability to insult without the person knowing. I am glad we were able to spend time together toward your end.

You were a strong, loving woman. I love you, Aunt Mil. I will miss you terribly.

“ Remember playing Bridge with Millie and Aunt Angela Burst in Houston, Texas for Aunt Angela's 100 birthday. Mil loved her Bridge and our sympathy goes out to the Haverkos Family.

“ Aunt Mil with respect taught me countless life lessons. How to bake cupcakes with what ever color icing I wanted. A love of horses. She even allowed me to pick out a horse and keep it on the farm. Remember Nancy and Topper?  
Killing chickens and gutting them. Started my interest in biology. How to drive a tractor-I think I was 10.  
The last lesson she taught me was how to care for an aging mother with love and respect.  
I loved being with her because you were never a kid to Mil. You were a unique person.  
Mil was smart with a quick wit and great sense of humor.  
How could you not miss Mil

“ I am sad with Mildred's passing. It won't be the same to not have my neighbor around the corner to stop by and visit when I'm home.
